

SHRUTI AK

OBJECTIVE

Seeking a dynamic role that allows me to develop innovative solutions, design engaging user experiences, and gain valuable hands-on experience in Web Development and Graphic Design.

AREA OF INTEREST

- App Development & Web Development (Frontend, Backend)
- UI/UX Design
- Graphic Design

EDUCATION

BE in Electronics and Communication Engineering

Dr Mahalingam College of Engineering and Technology, Pollachi, Coimbatore

Expected: April 2027 | CGPA: 8.2

HSC – SRV (Hitech) Matriculation Higher Secondary School, Namakkal | April 2023

SKILLS

Technical Skills

- Programming: Java, SQL, C
- Web: HTML, CSS, JavaScript, React.js
- Design & Tools: Figma, Adobe Illustrator (basic), Canva
- Dev Tools: VS Code, GitHub

Soft Skills

- Self-motivated with strong time management
- Leadership & team collaboration
- Creative problem-solving
- Attention to detail in design & code

PROJECTS

• MySkills+ – Frontend Developer (Ongoing)

Developing responsive, user-friendly web interfaces for a SaaS-based digital platform using React.js and modern web technologies.

• Student Expense Tracker – Mobile App

Designed and developed a mobile app to help students track daily expenses, visualize weekly spending patterns, and manage budgets.

• Brand & Social Media Graphic Assets

Created visual content including banners, posters, and social media graphics using Figma and Canva for college and personal projects.

• Projector SMPS Circuit Analysis

Performed circuit-level analysis of a projector SMPS to understand power conversion stages, component functionality, and voltage regulation.

INTERNSHIPS

CodSoft – UI/UX & Software Development Intern [Mar 2024 – Apr 2024]
